FAQ

[A Framework For Task Based Learning Willis Pdf Writer](#)

Listening	To hear an active Speaker talk about a similar article	Ask students to listen Carefully to a tape of a fluent Speaker summarising a Newspaper article. Play is once without transcript. Distribute transcript and play it again.	Whole class	28-32 mins
Analysis	To draw the Students attention to aspects of the native speaker's language	Ask students to identify any words or phrases in the transcript which might be useful in summarising their own article. Answer questions about form	Pairs	32-40 mins
Practice T>P>R	To give students the opportunity to do the task again & incorporate new forms	Ask students to read another article. Answer the three questions using any new language they have learnt from the transcript	Pairs	40-60 mins

3. Post-Lesson

3.1 Evaluation of the experiment

a. I was pleased to see that the class reacted in a positive way to the experiment. My observer noted that the learners were actively engaged by the class. After the lesson, I asked them to complete the questionnaire (Appendix 1). The results of the questionnaire showed that they enjoyed the class and many of them felt that they had gained something from it.
