The screenshot shows the 'Advanced SystemCare 12 Free' application window. The left sidebar lists various system optimization categories, each with a dropdown arrow. The main area displays a 'Fix completed!' message and a summary table of fixes.

Category	Count	Category	Count
Startup items:	3	Privacy traces:	2721
Junk files:	3.7 GB	Invalid shortcuts:	65
Registry entries:	728	Internet improvements:	33
System optimizations:	17	System weaknesses:	2
Security holes:	11	Disk optimizations:	953

Below the table are social media icons for Facebook and Twitter. At the bottom right, there are two buttons: 'Finish' and 'Activate Now'.
