
About This Content

Access to this DLC (The Little Devil) will be granted upon release (TBA 2019).

Explore the old Javanese Dutch-colonial mansion to find the inheritance Putri's grandfather left for her and reveal the secret behind the grandfather's wealth. Does it really come from his hard work or maybe, a result from a supernatural entity who helped him in the past?

A young university student is notified that her grandfather leaves her a will before he died. In hopes of gaining money for her father's medication, she decides to go to her grandfather's old mansion in her hometown to claim for the inheritance. Ignoring her father's words to stay away from everything relates to the grandfather, she insists to go out of desperation. Along the way, she also tries to reveal the secret that lies behind her mother's death and what has happened to her mother's family. This trip will be the answers to all the questions she has and perhaps, a way to get her out from her financial issues.

Experience Putri's journey in her grandfather's old mansion through various choices: to get the inheritance to support her father's medication, reveal the past, make another fortunes, or just to keep what she already has.

Features:

- Atmospheric horror in an old Javanese Dutch-colonial mansion.
- Immersive mystery-solving experience.
