Take your students to a higher level

Viewpoint is an innovative high-intermediate to advanced level course, which has been expertly designed to help your students communicate fluently and successfully in today's world.

The course is informed by extensive research on the *Cambridge English Corpus*, a billion word database of spoken and written English. Its unique syllabus combines the language, skills, and strategies that students need to speak and write in English naturally, effectively, and appropriately.

Key Student's Book features

- **Engaging**, contemporary **topics** provide a framework for successful and fluent **personalization** throughout.
- Extensive **corpus research** ensures that relevant language items are presented and practiced in **natural contexts**.
- A carefully-sequenced grammar syllabus, with clear explanations and productive practice of more **advanced structures**, includes grammar for writing and **Common errors** information, drawn from the Cambridge Learner Corpus. A 24-page **Grammar extra** section provides additional explanation and practice.
- A systematic **vocabulary syllabus** of the words, collocations, and language chunks that students are expected to master is consolidated and further developed by vocabulary-learning strategies in the **Vocabulary notebook**.
- **Conversation strategies** systematically develop students' ability to manage a range of spoken interactions in formal and informal contexts.
- A specially-designed **writing syllabus** focuses on the key processes, language, and text organization skills that are essential for successful academic writing, especially in examinations. **Writing vs. Conversation** panels show important differences between written and spoken English.
- Key **listening and reading skills** are **integrated with speaking and writing** to develop crucial skills for real-life and examination contexts.

CAMBRIDGE ENGLISH CORPUS

The Cambridge English Corpus is a multi-billion word collection of written and spoken English. It includes the Cambridge Learner Corpus, a unique bank of exam candidate papers.

Our authors study the Corpus to see how English is really used, and to identify typical learner mistakes. This means that Cambridge materials help students to avoid mistakes, and you can be confident the language taught is useful, natural and fully up to date.
