'AceMoney is to Quicken as indie music labels are to Sony Music:' 'Comprehensive but simpler to use than Quicken or Money.. Because the different options are laid out in menu-type format as well as icons on the top of the screen, it's simple to figure out what you need to do to access your portfolio, schedule bills and deposits, or run reports, to name a few..' 'The program has an eye-friendly interface that is also fairly intuitive to use.
