The screenshot displays the Livezilla Pro interface. At the top, the user 'Derek Punzova' is logged in. The main navigation bar includes 'Chats (1)', 'Tickets (0/1)', 'Visitors (111)', 'Chat Archive (10678)', 'Operators', 'Knowledge Base', and 'Reports (1097)'. The 'Visitors (111)' section is active, showing a list of 111 visitors with columns for time, country, language, and location. A world map on the right shows green location markers for each visitor, with a concentration in Europe. The interface includes standard browser controls and a search bar.
