# GET THE MOST OUT OF YOUR DStv

Always wondered why you see repeats of some shows or movies? And how you can get the most out of every minute of your DStv viewing...?

## 1. OUR CUSTOMERS HAVE DIFFERENT LIFESTYLES

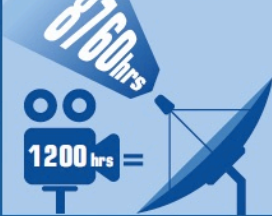

Get a chance to catch a show you might've missed or a favourite you want to see again.

## 2. NOT ALL CHANNELS ARE PREMIUM CHANNELS

Our Premium customers get to see shows and movies before anyone else... the same shows and movies are shown later on other channels so customers on other packages also get a chance to see it.

## 3. MOST CHANNELS OFFER MIX A OF NEW AND REPEAT CONTENT

Hollywood studios only make about 600 movies a year, or 1200 hours of new content. Each movies channel needs 8760 hours of content a year, so the difference is made up with repeat content.

## 4. SUPERCHARGE YOUR VIEWING WITH A DStv EXPLORA

A lot of great, fresh content on DStv every day – Explora puts best of it on Catch Up for you, so you can watch what you want when it suits you.

## 5. EXPAND YOUR CHANNEL REPERTOIRE

Research tells us that our customers tend to stick to a few much-loved channels – why not try out a new channel today?

## 6. FIND SOME NEW FAVOURITES

Plan your viewing with the Series and Movies calendars, as well as the TV Guide and the Dish digital magazine on DStv.com. You can also do a decoder search for shows, watch channel 100 for highlights or follow us on

You might just discover a new favourite along the way!
